Copy of letter from G.W.Wells, Esq., M.A., I.C.S.,
Collector of South Kanara, R.O.C.5000-29-A-6, dated 10th
June 1929.

Alienation - Land and land revenue - South Kanara
district - Mangalore taluk - Bantwal muda village - S.No. 58 B
(0-68 acres) - Night School and its appurtenances - ²Branch of
condition of alienation - resumption of land to Government
recommended.

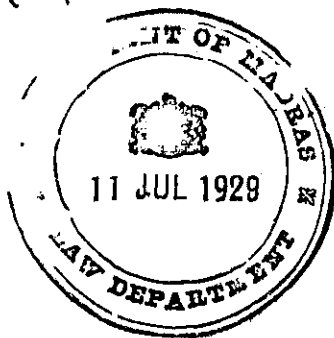

The Government in G.O. No. 3531 Mis., Revenue Department
dated 29th October 1918 communicated with B.P. No. 1475, Mis.,
dated 1st November 1918 sanctioned the alienation of S.No. 58 B
measuring 68 cents of Bantwal muda village in favour of Pathmudi
Vasudevayya, M.Vasudeva Holla and Narayana Somayaji, for the
construction of a night school and its appurtenances. The
alienees were informed that the buildings should be constructed
before 31st December 1920. The alienees failed to construct
the buildings for the school on the plot. They have enclosed the
plot with a wall on all sides and put up a foundation for a
building with mud walls about 3 feet high. The total value of
the improvements has been estimated at about Rs.18. The walls
have fallen down now in some places and the plot and the improve-
ments have been abandoned by the alienees.

Narayana Somayaji states that he has no objection to
the resumption of the land by Government for breach of
condition of grant. M.Vasudeva Holla, however, states that
for want of co-operation on the part of the villagers the
buildings could not be constructed on the site and that if the
site is alienated in his name alone he will construct a building
in six months and requests that the alienation may not be
cancelled. The 3rd alienee Pathumudi Vasudevayya has not yet
replied to the notice issued to him directing him to show
cause why the plot should not be resumed to Government for

breach of condition of grant. The Deputy Tahsildar, Bantwal reports that the improvements are of mud and being in an abandoned state will be worth nothing now.

I therefore recommend that Government may be addressed with a view to cancel the alienation and order resumption of land free of compensation. It is very doubtful whether M. Vasudeva Holla will fulfil his pledge, as there was nothing to prevent him from constructing the buildings, he being one of the alienees.
